

1st BATX. SUMMER WORK 2016

Students who have to sit the September exam:

Students are advised to do all the exercises (both unit tasks and revision and extension ones) in order to prepare their September test.

It means revising:

- verbs tenses (form and use)
- conditional clauses (all types)
- passive voice (both common types with direct/indirect object and special passive patterns)
- make and do
- vocabulary of every unit in the book
- writing structures.

Students who passed English in June

It is advisable to choose a reader/book they may find interesting and read it and watch Youtube videos in English related to the topics done in class.
